SUMMARY: Cuyahoga Total & Private Employment Growth Was Weak from 2010 to 2025

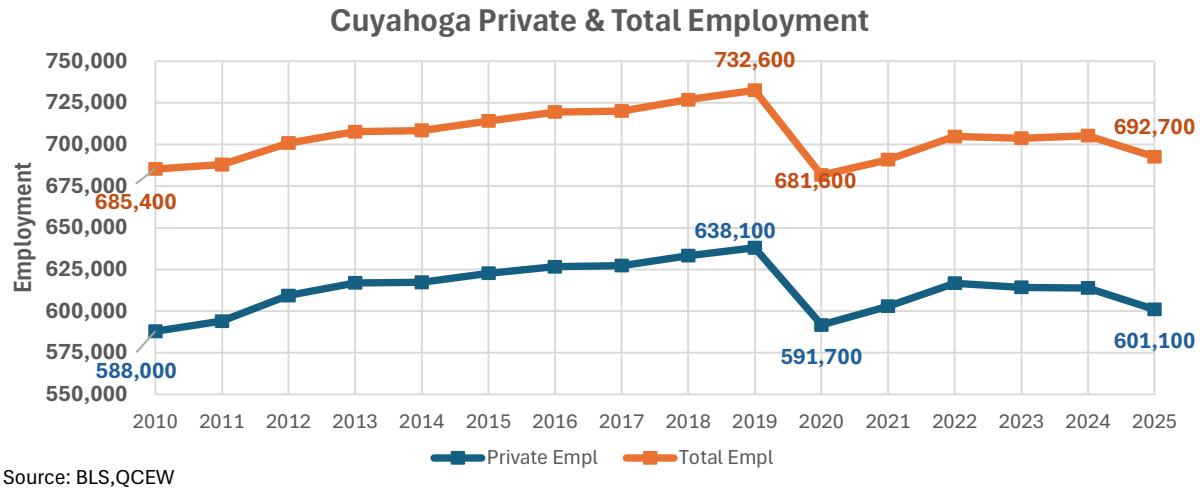

Cuyahoga County total employment grew from 684,400 to 692,700 (+7,300/1%) from 2010 to 2025. It grew by 47,200 from 2010 to 2019, but contracted by 39,900 (-5%) from 2019 to 2025. Private employment grew by 50,200 from 2010 to 2019, but contracted by 37,000 from 2019 to 2025. Government employment contracted by 2,900 in both periods.

The number of private establishments grew by only 300 from 2010 to 2019, but then grew rapidly by 2,600 from 2019 to 2025. The change was partially the result of major changes in culture and workplace location due to Covid.

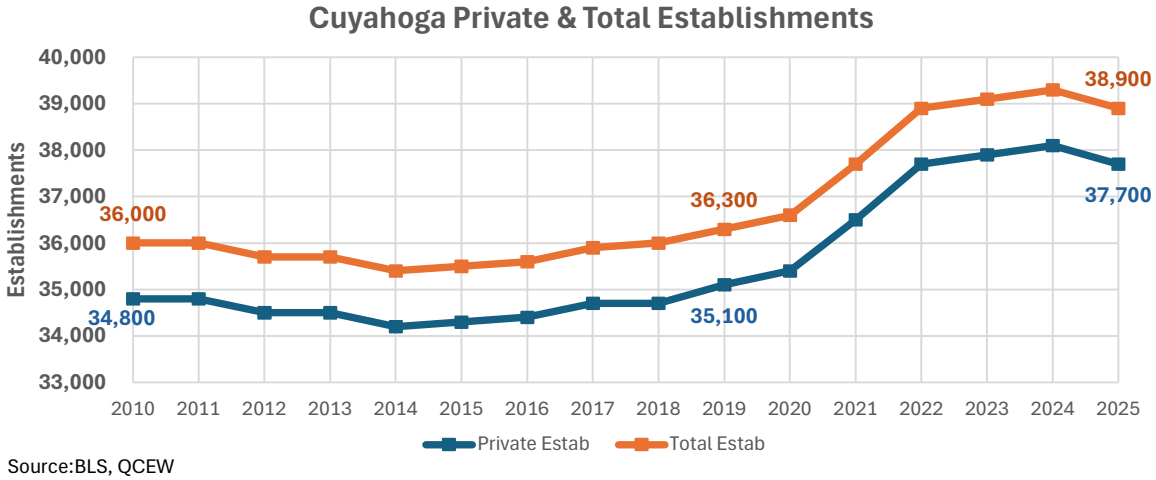

Cuyahoga Employment & Establishments (2010-25)
